This version of an old song which has been covered by artists as diverse as Bob Dylan, Elvis & Hank Snow, is from the 2007 After Hours CD by Raul Malo, and because it is short & I wanted to make it easy, I kept it at 32 counts.
The intro is a bit tricky (I think) , so leave the first 32 (or so) beats go and start on the word "Gone" in the phrase "When you're gone".
