This year the solo dances for the ALDC competition consist of some of the great classic dances that we have enjoyed over the last 25 years and all by Aussie choreographers. I will not mention any here as they are all wonderful dances and the list has received a lot of praise from line dances everywhere and on social media. Go to our website to check them out. How many you can remember? Even if you do not enter the competition why not come along and enjoy listening to the music and reliving these dances.
